

## Heavy-duty extension socket, rubber, IP44, 2 schuko sockets, flame-resistant casing

**ORNO**

Marka: Orno | Symbol: OR-AE-13165(GS) | Ean: 5900378658849

### PRODUCT DESCRIPTION

Heavy-duty extension socket of ingress protection level (IP44). It has two 2P+Z (Schuko type) sockets with rubber, sealed cover protecting it against water splashes, dust and dirt. The device is equipped with a hang hole that serves for hanging it in a safe place. It also has four screw holes that enable mounting it in a fixed location. Cable connections are hidden under a plastic removable case. The device has a built-in, rubber cable gland. This extension socket has a very low 5cm profile.

## TECHNICAL DATA

### General information:

|                            |                               |
|----------------------------|-------------------------------|
| Type of socket:            | 2P+E                          |
